

Multiculturalism: A model of society where various cultures coexist and collaborate without losing any of their characteristics (more developed in the UK)

Communitarianism: A philosophy that emphasizes the importance of the community into the development of the individual (more developed in France)

Melting-pot: A model of society in which cultural differences blend into each other to form a new whole culture

Examples

SECULARISM IN FRANCE

CULTURAL APPROPRIATION

A group of Native American investors wrote letters to major sponsors like Nike - which removed Redskins apparel from its website- a group of Native Americans who petitioned the NFL to force a name change. In 2020, the league and the franchise announced that it was « undergoing a thorough review of the team name and logo ».

LA FICHE N'EST PAS COMPLETE. Il vous faut des problématiques. Quels sont les enjeux du multiculturalisme (think about cultural appropriation, identity...)

EVENTS : pulling down statues of slave owners => faites des recherches, c'est en lien avec cette thématique : ce qu'on admet comme appartenant à notre histoire
