

How wide is the gap between our perception of AI and reality?

AI in fiction

- > Individually, **focus on one representation of AI in fiction**, you can pick from the documents or think of another example that you are familiar with.
- > **Characterize** your AI and justify your choice of adjectives.
- > Comment on the plot to say if this depiction is optimistic, pessimistic, hopeful, frightening, realistic, completely implausible ...

05:00

WORDBOX:

subservient =/= rebellious
attractive / hyper-sexualized / muscular
peaceful / aggressive
scary / uncanny / endearing / attractive
Human-like / embodied
