

# FOCUS: Keir Starmer's white paper

to get a visa

to stay

if criminals

to study

+ coordinator to deliver the skills the economy needs

students

university

to get a job

proof of progression in English

deportation

higher fees

min. RQF 6

(3-5 if shortage of workers)

no stay 18 months after the end of the course

more apprenticeships

no sponsored visas

taxes to recruit international student

min. 10 yrs before seeking for settlement

+32% immigration skills charge

REACTIONS

lack of workers

fear (risks of losing a job or for NHS)

struggle to pay the renewal → precarity

SHOCK

more voters for nationalists parties

no consideration from the government

financial problems (44% junior in deficit)

difficult to be integrated

BETRAYAL from Labour

professional insecurity

danger when visas are a necessity or emergency

ANGER
