Informations

Efficacit  (E)

Il s'agit du rapport de la note obtenue sur la note maximale possible **des questions trait es**.
Si vous avez un score d'efficacit   lev , cela signifie que lorsque vous traitez une question, vous obtenez la plupart des points de cette question.

Rendement (R)

Il s'agit du rapport de la note obtenue sur la note maximale possible.
Si vous avez un score de rendement  lev , cela signifie qu'en plus d' tre efficace, vous  tes rapide et traitez la plupart des questions du sujet.

Note Concours (NC)

Ce sont les notes ram n    un bar me de 20, c'est la note de concours.

Note Harmonis e (NH)

Ce sont les notes sur 20 adapt es ("gonfl es") afin de tenir compte de la difficult  des concours (tr s difficile   finir   dessein).

Harmonisation des notes
