

1 – Introduce yourself

2- Describe and analyse

3- Role play situation

At the end of the Graduation ceremony held in Boston last week, an American billionaire philanthropist named Mr. Hale handed 2 envelopes of cash to 1,200 graduates.

One envelop of \$500 was labeled « GIFT » to keep for yourself
and
the other one of \$500 « GIVE » to give to any good cause.

You are one of the happy graduates and you are interviewed by a journalist who needs your testimony for their article entitled « Their diplomas came with envelopes of cash, and a catch ».
