

My first name is....
My last name is

I'm eighteen.
I'm 18 years old.
I'm an 18-year-old student.

I'm in my late teens ≠ in my early twenties.

I'm going to turn 18 in a few weeks.
I've just turned 18.

I'm from
I come from...
I was born and bred in

Now I still live at home with my parents.
Now I am a boarder.
Now I share a flat in Saint Etienne with 1/2/... flatmates.

I'm rather shy / funny / friendly / sociable / easy-going / open-minded / determined / stubborn / eager to learn / ...

I went to Claude Fauriel / ... High school.

I attended CF High school.
I used to be a student at CF High school.

I've chosen a classe préparatoire because I would like to get into an engineering/a business school.

I intend to work in physics / chemistry/marketing/...
I'm interested in the field of aeronautics/human resources

I would like to do research.

I'm very excited/ frightened / eager about the next 2 years.

I'm looking forward to studying in CPGE.

I want to make the best of those two years.
I'm determined to work hard.

I have some work experience.
I've worked as a fruit picker.
Last year I worked as a camp leader / counsellor in order to earn some money.

I've never had a summer job.

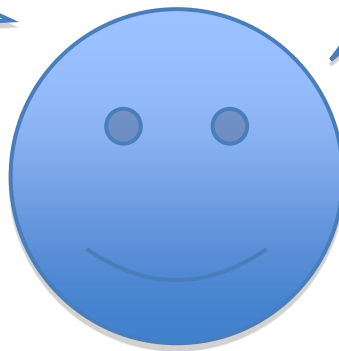

I enjoy traveling.
I've been to several foreign countries.
I went to Spain with my parents 2 years ago.
I went to Germany on a school trip last year.
I went to Britain on an exchange in 2017.

I've never been abroad.
I would like to travel abroad but I have not had the opportunity yet.
I'm not interested in traveling.

I have many hobbies.
I like playing football.
I'm keen on skiing.
I'm fond of (playing) basketball.
I enjoy ballet.

I've played the piano / the guitar for 7 years.
I've been a swimmer since I was 5 years old.

However I've had to give up handball / the drums / ... in order to focus on my studies.
