

1. Fill in the map with the 50 states of the United States of America.
2. Now, try to find out which state is Republican (Red), and which one is Democratic (Blue). Be careful, some states are considered as swing states.

*Definition of a swing state:* (in the United States) a state where the number of Democratic and Republican voters is about the same, that has an important influence on the result of the election of the United States President.
