

**I. Practicing for your written exam**

**1/ Questions de compréhension écrite type Mines Ponts** portant sur le document 14. *Write in your own words; pay great attention to the grammar and try to use complex structures and precise vocabulary*

A - Compréhension - Why is Florida's Surgeon General's policy a great source of concern for American Health experts?  
**Answer in your own words** (80 words, ± 10%)

B - Expression - Can Scepticism and Science be balanced ? Illustrate your answer with relevant examples (180 words, ± 10%)

**2/ Entraînement à la synthèse** (exercice d'entraînement à préparer à l'écrit qui sera présenté par un trinôme à l'oral)

A - Identify, organize and rephrase the various key points on **Smoking bans** (Texts 1 to 3 and document 16)

B - Identify, organize and rephrase the various key points on **Poverty and Malnutrition** (Documents 5 to 8 and document 16)

*You can do this individually, to practice for a synthèse. You can do this as a binôme or trinome in order to present a synthèse orally in class...*

**3/ Write an opinion piece** in reaction to text 2.

**II. Preparing the oral exam - Choose one of the following - LVA or LVB****1) Entraînement à Mines Telecom**

Describe and analyse document 16

**2) Entraînement à Mines Ponts / Centrale**

Prepare a presentation on either Text 2 or Text 9

*>Prepare a synthèse and commentary as if for a colle. And also prepare questions on the same text as if you were going to be the colleur.*

**3) Entraînement à X / ENS / ESPCI (the video has been uploaded onto Cahier de prépa)**

Prepare a presentation on the video "Rethink addiction Australia", September 9, 2022 (Annales X/ENS 2023)

[https://www.youtube.com/watch?v=Pi5SRV0wONE&ab\\_channel=RethinkAddictionAustralia](https://www.youtube.com/watch?v=Pi5SRV0wONE&ab_channel=RethinkAddictionAustralia)

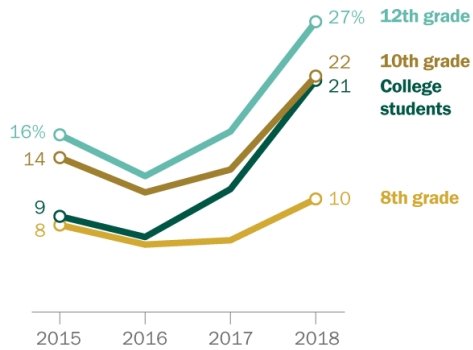

Students from Monash University's School of Media, Film and Journalism produced a short documentary for the Rethink Addiction campaign.

**III. Practicing for your written exam - Translation for Mines Ponts**

**Thème: Traduire les passages en gras dans les articles du Monde (Texts 4 and 11)**

### Growing shares of U.S. secondary school, college students vape regularly

% who reported any vaping during the last 30 days

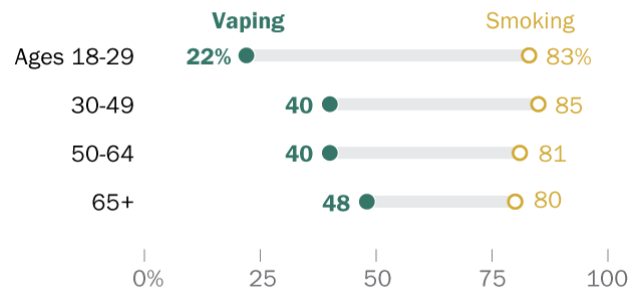

Note: Pre-2017 survey asked about “any vaping.” Data after 2017 based on separate questions about vaping nicotine, marijuana, and just flavoring.

Source: University of Michigan Monitoring the Future survey.
